

# PRAY

Ridge Meadows

One of the strategies for seeking God on behalf of our communities is to pray for “seven mountains”. This is a way to pray for the spheres of influence in our cities.

Each of the following areas of activity have an influence on our society in some way. Let us pray that it will be for God’s glory, peace, righteousness, and justice. See more at [www.prayridgemeanows.com](http://www.prayridgemeanows.com)
